Graduate Scholarship for Excellent Foreign Students (GSFS) at SNU

This catalogue aims to provide students with the essential information necessary to make the important decision of embarking as a Graduate Scholarship for Excellent Foreign Students (GSFS) at Seoul National University. As SNU strives to share both cultural and advanced academic knowledge with international students through joint research, this Graduate Scholarship for Foreign Students is offered to graduates from select universities in East, Southeast, and Central Asia to help them achieve their dream of continuing graduate studies at an internationally renowned university. (Please see page 6 for a list of eligible universities.)

Studying at SNU requires dedication and diligence but it also offers many rewards including opportunities to meet life-long friends, new cultural experiences, and develop self confidence and skills which will help you throughout your life. We hope that you will decide that SNU is the right place for you. We invite you to join us in our distinguished history, exciting present and bright future.

In order to provide more equal opportunities for foreign students, the applying method is as the following: For students who wish to apply for GSFS, s/he should first go through the application process for foreign students at <http://admission.snu.ac.kr>. While the Office of International Affairs deals with the overall program, the office in charge of admission application is the Office of Admissions. After submitting your application on-line, please send your scholarship application for the GSFS to the Office of International Affairs.
