For detailed information of the curriculum, please inquire desired college, graduate school or department.

03/ Admissions Quota

- The quota for international admissions is not predetermined. (No additional selection in case of non-enrollment of admitted students)

04/ Things to Know Before Application

Application Process

- Applicants should make sure they input the correct personal information, when completing the online application process. **In principle, any modification of admission type (I,II) and admission unit and/or cancellation is not allowed after completion of the application.**
- Applicants are fully responsible for any disadvantages they may incur due to errors and omissions in the information provided in the application.
- **Applicants are not permitted to submit multiple applications, and will be disqualified from admission if found doing so.** Multiple application is defined as having more than one registration number due to submitting multiple applications. Submission of multiple applications refers to either applying to more than one graduate course.

Submission of Documents

- **All of the submitted documents can not be returned. If you need to submit a document which cannot be issued again, you can submit a validated/attested copy from the issuing institute or a notary office.** SNU does not offer validation service, so you need to prepare a validated/attested copy in advance.
- Admissions offers will be rescinded if false information or unfair practice for admissions is found to have been used at any time during the application period. This condition applies even after the admission or enrollment at SNU.
- The admissions staff reserves the right to require additional documents from applicants, should there be any need to clarify the eligibility or to verify the authenticity of the submitted materials.

Refund of Application Fee

- Application Fee will not be refunded, except in the cases below:
 - Overpayment due to currency difference or mistake on the applicants' behalf: Overpaid amount
 - Absence from evaluation due to errors on the university's behalf or natural disasters: Total amount
 - Absence from evaluation due to hospitalization or death: Total amount (Official Proof Needed)
- In the cases above, you can visit The Office of Admissions at SNU or designate a bank account to receive the refundable amount via bank account transfer. If choose the latter option, the commission fee for using the online banking system will be subtracted from the refundable amount. If the commission is bigger than the refundable amount, refund will not proceed.

[Others]

- Applicants who are expected to graduate from undergraduate course (Master's or Combined Master's & Doctoral applicants) or master's course (Doctoral applicants) must prove their graduation after the final results are released. If not, the admissions offer will be rescinded.
- Admitted students to SNU are not allowed to register for any other universities in Korea which are scheduled to hold the same academic year for admissions as that of SNU. If an admitted student does not comply with this regulation, the admissions will be rescinded.
- **SNU does not disclose information related to admission decisions such as the content of evaluation, the grade or ranking of each applicant, and the reason of rejection or disqualification. SNU does not take inquiries on any of the items above.**

05/ Admissions Eligibility and Requirements

International applicants must meet the admissions eligibility for either International Admissions I or II by August 31st, 2019. Depending on the policy of the specific college or department, the applicant may be asked to undertake interviews, examinations, and/or a performance test. In such a case, the applicant will be individually notified of these details. The following documents are to be examined according to the admissions criteria.

09/ Things to Know When Admitted

1. Admitted students should complete the registration process (payment of tuition fee) within the designated period. Applicants who fail to do so will have their offer of admission rescinded.
2. Applicants whose graduation status is pending during the time of application should submit their Graduation Certificates to the Office of Admissions within 15 days of their enrollment at SNU. Failure to submit the document without a valid reason may invalidate a student's offer of admission.
3. Since July 14, 2007, Seoul National University has complied with the Apostille requirements in accordance with the 1961 Hague Convention. Accordingly, newly admitted students from countries which are signatories to the convention must attach and submit the Apostille. Students from countries which are NOT signatories to the convention must submit substitute documents; these can be official documents legalized by a Korean consular office, or another form of authentication (e.g. a Certificate of Authentication or a Certificate of Overseas Educational Institutions) issued by the Korean Embassy or Consulate. Please refer to [Appendix 3] on page 21 for further details.
4. Those who have submitted Apostille certificates or consulate legalization alongside his/her certificate of graduation or diploma during the application period are not required to submit this document.
5. The admissions committee will decide whether or not each student should write an additional Korean language test. Admitted students who are notified to take the Korean Proficiency Test at the SNU Language Education Institute (LEI), are responsible to take the test on the scheduled date. If a student receives Level 4 or below in his/her Korean Proficiency Test, he/she may be subject to certain limitations in enrollment.
6. Admitted students are not permitted to defer admission to a later semester. If an admitted student wishes to use a leave of absence after registration, he/she should contact the administration office of his/her corresponding college in advance.
7. After the announcement of the admissions decision, admitted students are advised to note the 'Reference Guide for New International Students' for information about scholarships, campus accommodations, and other relevant information.

APOSTILLE Requirements for Newly Admitted Students

Since July 14, 2007, the Republic of Korea has been a party of the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides simplified certification of public (including notarized) documents to be used in countries that have joined the convention.

The Apostille ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

- Apostille certificates are to be submitted within 15 days after enrollment at SNU.
- For information regarding how to get an Apostille, please refer to the website:
<http://www.hcch.net> – Members & Parties – HCCH Memembers.

A. Newly admitted students from countries which are signatories to the convention must meet the following requirements:

1. Official certificates (transcripts, graduation certificates/diplomas, etc.) from public schools or institutions should be submitted with the Apostille attachment.
2. Official certificates (transcripts, graduation certificate/diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency or any other authority competent under the law of the country of origin of the certificates, before being submitted with the Apostille attachment.

N.B. All documents should be in English or Korean. If it is in any other language, the applicant must submit a notarized/certified translation (in English or Korean) completed by a public notary in the country where the document was originally produced.

B. Admitted students from countries which are NOT signatories to the convention and do not recognize the Apostille must meet the following requirements:

1. Official certificates (transcripts, graduation certificate/diplomas, etc.) must be legalized by a Korean consular officer in the country which issued the certificates.
2. Applicants from these countries should submit the official certificates with the attachment of an Authentication (ex. Certificate of Authentication or Certificate of Overseas Educational Institutions) issued by the Korean Embassy or Consulate.

N.B. All documents should be in English or Korean. If any documents are submitted in any other language, the applicant must submit a notarized/certified translation (in English or Korean) completed by a public notary in the country where the document was originally produced.
